

PostNord's owners propose Christian Jansson as new Chairman of the Board

PostNord AB's owners propose today Christian W Jansson to be elected new Chairman of the Board at an extraordinary general meeting. Further, the owners propose Christian Frigast to be elected Vice Chairman of the Board.

PostNord's current Chairman of the Board Jens Moberg announced on January 30, 2018 that after five years at the post, he would not be available for re-election. However, he also informed the owners that he was willing to remain at the post as Chairman of the Board until the recruitment process for finding his replacement was completed. In view of this, Jens Moberg was elected Chairman of the Board at the Annual General Meeting of April 26, 2018.

Anitra Steen has also notified the owners that she will be leaving her post as member of the board.
