

Merchandise Mail Returns

If you love returning customers, make their return handling as hassle-free as possible. PostNord offers smooth return services in key markets

At PostNord we know the value of a good return management policy, therefore we offer return services in prime e-commerce markets in Europe. Our services can be customized to meet your requirements in terms of speed, frequency and destination.

It's easy to print your return labels; online or by using our PostNord label printing software.

Use our Self-service tool to smoothly produce and send return labels to your customers by email. The tool also provides regular updates on returned goods. Or why not imbed a link enabling your customers to print their return labels via your own public web site?

Your call if you enclose a pre-printed return label with your delivery or if you send it upon request.
