

## Reliable Delivery from Poland to the Nordics

Looking for a trusted logistics partner offering seamless last-mile delivery across Sweden, Denmark, Finland, and Norway — without intermediaries? With PostNord International, you get direct access to efficient, high-quality logistics solutions, from parcels to pallets. We also provide warehousing and order fulfillment for businesses seeking an external logistics partner.

### Distribution to the Nordics

- 4 countries within one integration
- Delivery to a parcel locker, service points, mailbox or doorstep
- **Fast and reliable delivery:** 2-3 days for Sweden and Denmark and 3-4 days for Finland and Norway
- 12,000+ parcel pickup locations
- **Customs support** for shipments to Norway
- **Label-free** parcel returns
- **Integration** with all leading software suppliers

### Fulfillment for e-commerce

- Strategic location - 62-023 Żerniki
- 99.7% accuracy in order handling
- Personalization of your orders
- Delivery by leading courier companies
- Prompt integration with your sales channels
- Direct contact with assigned Customer Service specialist

### PostNord helps increase sales

Our Clients appreciate that thanks to direct cooperation with PostNord International they gain shorter delivery times, one integration for 4 markets and faster answers to questions asked. This increase buyer satisfaction, which has a positive impact on sales.
