De minimis value

Duty and tax will be charged only on imports into Germany where the total CIF value of the import exceeds Germany's minimum value threshold (de minimis), which is a duty de minimis of 150 EUR and a tax de minimis of 0 EUR. Anything under the duty de minimis value will be a duty-free import, but because the tax de minimis is zero, every import is subject to tax.

Average duty rate

Average: 4.2%

Applied to the CIF value of the order

Import Control System 2 (ICS2)

ICS2 is a cargo information system aimed to screen shipments for security and safety prior to their arrival into or across the European Union as well as the United Kingdom.

You need to ensure that you are providing the carriers with good (not vague) package descriptions when you're shipping a package to the EU and UK.

Duty and tax de minimis

Tax de minimis: 0 EUR

Duty de minimis: 150 EUR

Applied CIF value of the order

Value-added tax (VAT)

Average VAT rate: 19%

Reduced rate: 7%

Applied to the CIF value of the order

Import VAT is charged on the CIF value of the order. VAT is charged at the standard rate of 19%, but certain products, such as food, books, hotel accommodations, cultural services, and more, receive a reduced rate of 7%. The EU employs IOSS (Import-One-Stop-Shop) as their method for collecting VAT.

Import duty

Like VAT, duty is charged on the CIF value of the order. The duty ranges from 0-17%,v
