Tech and Support

- **Flexible Integration Options:** Seamlessly connect to our services via API. Experience hassle-free shipping management through Shipstation, Shipwise, Zonos, and other partners.
- **Convenient Service Selection:** Empower your customers to choose their preferred shipping options at checkout, enhancing their shopping experience.
- **Support When You Need It:** Available during U.S. business hours. Local customer support available for Nordic consumers as well as US support for our shippers.

PostNord and the Nordics:

- Marketleader in the Nordic markets
- Largest network of pick-up points (Service points and parcel lockers)
- PostNord App - 4 million active users per month and 8 million downloads in the Nordics

The PostNord App allows you to:

- Track your parcels
- Book home delivery
- Receive digital delivery notifications
- Collect parcels without physical ID using BankID (SE only)
- Manage returns directly from your cell phone

PostNord FlexChange functionality in App:

- Book home delivery – choose day and time
- Update the time for a booked home delivery
- Deliver even if the recipient is not home
- Options to pick up at PostNord's pick up points
- Redirect deliveries at your convenience (SE only)
